We recommend that you wear comfortable, enclosed shoes.

Fine weather: If you are visiting us on a sunny day, it would be wise to bring a hat and sunscreen as required.

Wet weather: an umbrella or rain jacket would be useful in wet weather. But we do sell these items on site in our gift market for your convenience.

Access: Tropical Fruit World is a working farm. Pathways and roads may be uneven in parts, with some dirt and loose gravel surfaces.

Wheelchairs are unable to ride on our tractor train trailers or boat, making the orchard-based activities unsuitable. However, our fruit tasting sessions and retail areas are wheelchair accessible.
