Tweed Seniors Festival

3 - 16 March 2025

Acknowledgement of Bundjalung Country

We wish to acknowledge the Ngandowal and Minyungbal speaking people of the Bundjalung Country, in particular the Goodjinburra, Tul-gi-gin and Moorung – Moobah clans, as being the traditional owners and custodians of the land and waters within the Tweed Shire boundaries. We also acknowledge and respect the Tweed Aboriginal community's right to speak for its Country and to care for its traditional Country in accordance with its lore, customs and traditions.

Share your experiences and tips for staying cool in long, hot and humid summers.

As the climate in the Tweed changes, we know that we will be facing more days with temperatures over 30 degrees, more night-time temperatures over 25 degrees, and more consecutive days of heatwave conditions.

We also know that people are concerned about rising energy costs and wanting to save money on cooling costs where possible. We want to know.

- How do you balance energy costs vs cooling needs?
- What other strategies do you use to beat the heat?
- How do you stay in touch with loved ones and neighbours during heat events?

Community Centre is adjacent to TRAC swimming pool.
