

Budd Park Upgrade

Important information for school formals and events

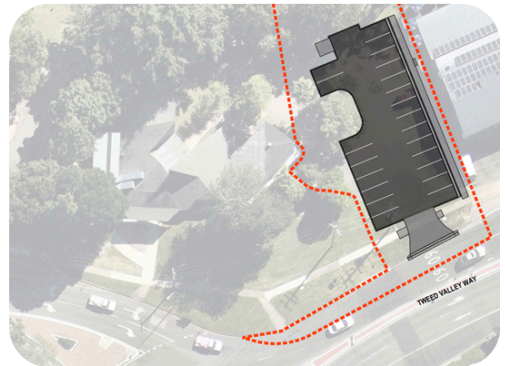

Budd Park is being upgraded from mid-September 2024 to April 2025. This may affect your school activities and events in the park. Please note, wet weather could delay the planned works.

What's happening and when

Stage 1

What: The carpark adjacent to the Riverview Hotel is being upgraded and will be closed. We are also constructing a new entrance/exit onto Tweed Valley Way.

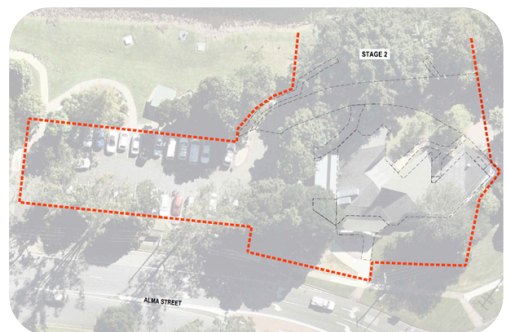

When: Mid-September to mid November 2024

Stage 2

What: The World Heritage Rainforest Centre (also known as the Visitor Information Centre) and the internal road that connects the two car parks is being demolished and will be closed.

When: Early October to early November 2024

Go to yoursaytweed.com.au/buddpark for more information.

Stage 3

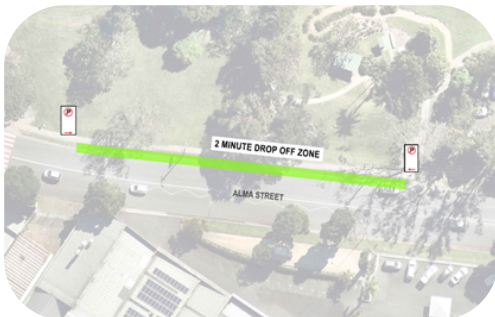

What: The parkland between the two car parks will be upgraded to include new shelters, barbecues, picnic tables, seating, drinking fountains, bins, pathways, bike racks, and public art. This area will be closed for refurbishment.

When: January to April 2025

Important Information for Event Drop-Off & Pick-Up

- We plan to open both car parks by mid-November.
- The internal road connecting the two car parks will be removed.
- Arrive early, use other available car parking and walk to your event in Budd Park.
- You may drop-off and pick up passengers along Alma Street in the 'No Parking' area between the pedestrian crossing and the entrance to Budd Park's western carpark. You may stop for less than 2 minutes.

Alternative parking

There's ample parking available on the opposite side of Tweed Valley Way, on the road reserve next to the Rail Trail.

Public toilets

The public toilets in Budd Park will be closed from early October to early November. You can use the public toilets at Murwillumbah Railway Station and Buckley Park situated at the corner of Tweed Valley Way and Prospero Street.
