Filming Licences for Events in Tweed Shire

Able to recover only direct costs from services provided by the council such as security, additional site preparation, cleaning, waste management, access and power. Refer to normal fees for the hire by filmmakers of constructed facilities such as town halls, community centres, and swimming pools (as allowable under the Council management plan). A bond may be necessary in some circumstances, where there is a risk of damage, site remediation or cleaning. The bond will be determined at a reasonable level of estimated cost of recovery to be negotiated with the filmmaker on a case-by-case basis. Bonds to be repaid as soon as practical after completion of filming and site clean up.

S64 Water and Sewerage Developer Contribution

Note: Council is reviewing Development Servicing Plans for Water Supply and Sewerage Services. The review may result in changes to Developer Charges (S64) for both Water and Sewerage, as included in Tweed Shire Council's Fees and Charges. Revision of Development Servicing Plans and preparation of new draft Development Servicing Plans will be completed in the 2017/18 financial year. The draft Plans are to be audited by an Auditor approved by NSW Office of Water and placed on public exhibition for at least 30 days prior to adoption or otherwise by Council. It is probable that the Revenue Policy and Council's Fees and Charges will be amended during the 2018/19 financial year to reflect revised Development Servicing Plans.
