

Track our progress, we're working to make the Tweed an even better place to live, work and enjoy. Here's a snapshot of what we've achieved in the last 3 months.

### Delivering a healthy natural environment

*Taking care of our environment*  
Feedback sought on Tweed Conservation Strategy, and the Tweed Coast and Estuaries Coastal Management Program; *Platypus of Tweed* Story Map launched; 25 Sustainability Awards nominations received; community tree planting day plants 800 trees and 1,500 shrubs and plants

### Helping you be safe at home and in the community with reliable essential services and infrastructure

*Safe places to live, work and visit and a safe, connected road network*  
Tweed urged to save water to delay restrictions; Murwillumbah bridge closed for sewer main upgrades and resurfacing; feedback sought for upgrading of public transport shelters; construction on temporary vehicle access on Tyalgum Road scheduled; 9.4km roads resealed or resurfaced; 1.4km of roads upgraded; 150m of footpath repaired

### Supporting the Tweed's people and places to thrive

*Inclusive, active and vibrant communities and economy*  
Workshops held to assist Northern Rivers aged care home support providers ahead of sector change; youth voices heard at Poets Out Loud Youth Slam!; upgrade work began at Piggabeen Sports Complex; final touches in place at Uki Mountain Bike Park ahead of opening; 70,000 Rail Trail users in first four months exceed expectations; business Connect Program launched to assist commercial operators share in success of Rail Trail; Murwillumbah's 50-year time capsules soon to be unearthed; 16 events secured funding in Council's 2023-2024 Events Sponsorship Funding round; The Tweed Regional Gallery presents its Spring exhibitions

### Delivering a healthy natural environment

*Working together to reduce our impact*  
Mayor Chris Cherry honoured for climate change advocacy; the first Community Action Network workshop held encouraging residents to participate; Funding round opens for farmers to kickstart environmental sustainability projects; 'Keeping Cats Safe at Home' project winners announced; Tweed student girls attend STEM program

### Helping you be safe at home and in the community with reliable essential services and infrastructure

*Building resilience to natural disasters and climate change impacts and delivering sustainable water and wastewater services*  
Tweed's biggest solar energy array opens at Banora Point Wastewater Treatment Plant; community input sought to assist flood resilience in Murwillumbah CBD, Tweed Heads South and Banora Point; Bush Fire Danger Period commenced 1 month earlier, residents encouraged to prepare

### Working together to plan for the future so the Tweed grows and evolves in a sustainable way

*Joining together to be better tomorrow*  
Preliminary works began on site at the Industry Central Land Swap project in South Murwillumbah; Local Government Week saw free tours and workshops showcasing Council services; Regional Cities New South Wales (RCNSW) saw 9 mayors and their executives hosted by Tweed at first forum outside Sydney

### Budget update

**Income \$293 million\***

**Expenses \$293 million**

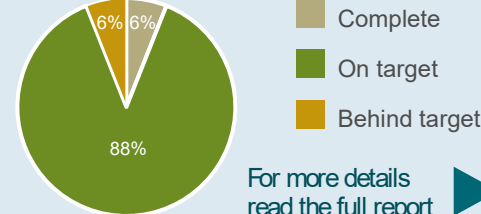

Operating (61%) Capital (36%) Interest (3%)

\* Includes \$247m income + loans and internal funding

### Supporting our local economy
