FILE NO: DA02/1640 Pt 1

SUMMARY OF REPORT:

In the Business Paper for the meeting to be held on 15 December, 2004, Item 20 is a report seeking the determination by Council of 'in kind' support to the Cabarita Surf Life Saving Club to cover all costs and disbursements in relation to the preparation and registration of the plans of road widening and boundary adjustment.

It is to be noted that the requirement for the boundary adjustment arose due to the location of toilet facilities within Council land to the west of the Club's parcel and the construction of footpath within the Club's parcel. Council sought the boundary adjustment so that ultimately the toilet facilities will be on the Club's land and the footpath will be on dedicated road reserve.

On this basis it is recommended that Council resolve to provide 'in kind' support as requested by the provision of services by Council officers in the preparation of plans and associated conveyancing actions, together with the provision of all costs to be incurred in order to register the plan of boundary adjustment.

RECOMMENDATION:

That Council:-

1. Provides "in kind" support and cash to the Cabarita Surf Life Saving Club by covering all costs associated with the road widening and boundary adjustment;
2. Will direct Council officers to proceed with the preparation and registration of the plans effecting the boundary adjustment and road widening; and
3. Votes the expenditure of all costs and disbursement incurred from the Section 94 Fund.

REPORT:

As per Summary of Report.
