Re: Hall Hire Costs

I am writing to request that the fees charged for the use of the Banora Point Community Centre be waived for our group. We use the large meeting room for 2 hours on one day of each month, except January.

Our survival depends upon donations from many members of the community including Tweed Shire Council. Any reduction in costs, no matter how small, would assist us greatly.

I hope you will give our request due consideration and I look forward to hearing from you at your earliest convenience.

Yours Faithfully

Attention: the General Manager Tweed Shire Council

Dear Sir,

I have booked the Tweed Civic Centre for a performance by the local singing group 'Men Wot Sing', on Sunday the 9th December.

Although they rehearse at St Peters Anglican Church Coolangatta, over half of the members live in New South Wales. Peter Whitcombe the co-ordinator and himself a performer, lives in Banora Point.

The concert is a fundraiser for a tour throughout New Zealand in May 2008, where they will be promoting and representing the Tweed area.

With this in mind I would like to apply for the Local Production Rate rather than the Professional rate.

I ask that you consider this request favourably and look forward to an early reply.

Kind Regards

Heather Malcolm

Dear Geoff,

Re: Hire of Tweed Heads Civic Centre
Saturday 8th March 2008

The chairmanship of our Rotary District 9640 Model United Nations (MUNA) Committee has been passed to me by Sue Randel from Mullumbimby, with whom you have dealt over the last three years. I have to say that Sue has set an extremely high standard for the event, which I must now emulate!

I am sure you are aware just how popular this event has become, not only with the participating students but also with their teachers. MUNA provides the students with an opportunity to enhance their debating skills whilst gaining a real life appreciation of issues confronting other nations. Besides selecting a winning team on the day, the panel of judges is also asked to nominate the two most outstanding students to attend MUNA National in Canberra later in the same year. My wife and I had the pleasure this year of being the counsellors for our two representatives.

All participants in this event are covered by Rotary insurance.

MUNA in our District has been held at your Civic Centre in Tweed Heads for as long as I have been involved, and I have taken the liberty of booking it for the 8th March 2008 for our next one. I take this opportunity to thank the Tweed Shire Council for their very generous support in the past, and ask if we might once again enjoy the use of this facility without cost?

Looking forward to hearing from you in due course,

Yours faithfully,

Dear Mr Raynor,

The children at St Joseph's Primary School, Tweed Heads, have the opportunity to attend a Queensland Opera performance of 'Hansel and Gretel', in Term 3, 2008.

A musical theatre experience, such as this, is something that our students would rarely get the chance to see.

Opera Queensland will bring the performance to our school, however, we do not have a suitable venue.

Our school is within walking distance of the Tweed Heads Civic Centre and the auditorium would be a perfect venue for the performance.

So that we don't make the cost to our students prohibitively high, we are asking for the use of the Civic Centre auditorium at a substantially subsidised price.

Our School Motto "ALWAYS FAITHFUL, ALWAYS PROUD "

The show is one hour in duration, however, the actors require an hour either side of the performance to set up and pack up.

We hope that Tweed Shire Council will see fit to provide the use of the auditorium, so that our young students can experience this incredible performance.

We have to book the performance by October 26th, with Queensland Opera, however it will not be on till term 3, 2008. (That is, between July and October.) They will provide us with an exact date and time at a later date.

Please reply ASAP, so that we can book by the due date.

Yours faithfully,

Dear Colleague

Opera Queensland is proud to present *Hansel and Gretel* – a musical theatre experience designed specifically for primary school children.

Bringing *Hansel and Gretel* to your school will be an enriching and rewarding experience for your students. The strength and uniqueness of our education program was again recognised by the Federal Government in their 2007/2008 budget. These funds now allow Opera Queensland, in the first instance, to considerably subsidise *Hansel and Gretel* in New South Wales schools for only **\$6 per child**.

The opportunities to integrate this musical theatre experience into your classroom are boundless. Opera is a multifaceted artform and combines elements of music, drama, movement/dance, visual arts and design. Any one of these provide numerous entry points to attract students' interest.

The Performance Notes, which accompany the work, provide a range of activities and exercises to assist teachers to explore relevant themes and ideas, allowing students to see and appreciate opera in a broader context as well as fostering their connection to the artform. The activities address a range of outcomes and requirements of the new P-10 Arts Syllabus as well as contributing to other syllabi.

Hundreds of schools throughout Queensland, southern New South Wales, South Australia and Victoria have enjoyed *Hansel and Gretel*. For 14 years Opera Queensland has delighted Queensland students with high-quality, purpose-designed productions. The Company looks forward to your involvement in our touring program. We are confident that you and your students will find this a worthwhile and entertaining learning experience, and outstanding value at only **\$6 per child**.

Please find enclosed a detailed brochure that includes the booking form. Should you require any further information, I can be contacted on 07 3735 3044 or 07 3735 3043.

Dear Gary,

Re: Hire of Room at Banora Point Community Centre

We presently hire the larger room at the community centre on Wednesday nights for our cadet group for young people aged 12 to 18 years at a discounted rate as we are a voluntary not for profit group.

We would wish to use the smaller room for free weekend first aid training for our cadets, on Saturday the 3rd and Sunday the 4th of November from 7.45 am to 4.15pm on both days. This has previously been booked with David, who suggested that we write asking if it is at all possible to have this room at a discounted rate, considering the number of hours we will be using the room for and that we are providing this service to young people.

Thank you for considering this matter.

Yours sincerely
