Dear Sir

GALES HOLDINGS PTY LTD  
PATHWAY OSPREY PLACE TO ELROND DRIVE LOT 11 DP 871753

We refer to previous correspondence in relation to the pathway that was erected on our client's land without our client's consent.

Since our correspondence relating to the pathway our client has obtained development consent for filling of the subject land. Furthermore a period has passed sufficient for Council to undertake planning and construction of an alternate pathway.

Our client now requests that Council remove the pathway. Our client considers that 60 days from the date of this letter would be a reasonable period in which Council arranges removal of the pathway.

Please confirm receipt of this letter and forward your reply to the above matters within say, 10 days from the date of this letter.

Yours faithfully
