

ADDENDUM REPORT

MAYORAL MINUTE

a3 [MM] Tourism - Economic Development

On Thursday 13 May 2010 Councillors participated in a Workshop on "Probity and Conflict of Interest", particularly as relevant to the upcoming tendering of economic and tourism services.

It is clear that significant issues of both probity and conflict of interest will arise if Councillors and staff appointed to the Boards of Tweed Tourism and the Tweed Economic Development Corporation (TEDC) remain in their positions during the tendering period.

Both organisations have accepted Council's offer of a three (3) month extension to 30 September 2010.

RECOMMENDATION:

That Council advises Tweed Economic Development Corporation (TEDC) and Tweed Tourism that those Councillors and staff on the respective boards will stand down from their current positions until 30 September 2010.
