**MAYORAL MINUTE**

**a4 [MM-CM] GP Super Clinics**

**ORIGIN:**

**Mayoral Minute**

**SUMMARY OF REPORT:**

The Commonwealth Government's roll out of GP super clinics has generated a deal of interest from interested parties to establish such a facility in the Tweed. This concept is very much in line with strategy 2.3.1 of the Community Strategic Plan 2011/2021 – *Advocate for the provision of affordable and accessible health care, aged care, mental health, youth and family services and other community services* and Council should establish a position in relation to the requests of support from these interested parties.

In response to these various requests, I propose the following be provided to these interested parties.

**RECOMMENDATION:**

**That Tweed Shire Council supports the Commonwealth government funded initiative to establish a GP super clinic in the shire.**
