FILE	<i>ALCOHOL FREE ZONES</i>
DOC	
REC'D	- 8 FEB 2011
ASSIGNED TO:	<i>PEARCE B</i>
HARD COPY <input type="checkbox"/>	IMAGE <input checked="" type="checkbox"/>

Dear Sir,

Re: Australia Day on the River Keith Compton Drive and Anchorage Islands

Our residents would like to request to Council that the area from the Tweed Heads Hospital and all the Reserve into the Anchorage Islands be made an Alcohol Free Zone.

Australia Day is a day of Celebration and people should be able to enjoy the day without the excessive consumption of Alcohol - this certainly was not the case in this area. Other areas in our Shire are Alcohol free zones, we trust that we too can come into this category.

The number of persons and Cars that were in this area on that day was unbelievable. Cars were illegally parked in No Standing Areas and in the middle of the Roundabout in Keith Compton and Island Drive, both creating danger for motorists either entering the area or their own residences.

The mess that was left at the end of the day was totally unacceptable and necessitated extra work from your Council employees to remove this rubbish. This should not be the case. People should take all their rubbish home with them and leave the areas as they found it.

Your attention and consideration to this request would be appreciated.

Yours sincerely,  
"The Sails"

Dear Sir/Madam

**RE: AUSTRALIA DAY CELEBRATIONS**

We, the undersigned residents, of the riverside area of Keith Compton Drive and Island Drive, Tweed Heads; request that this area be deemed an "alcohol free zone" by the Council.

The end results of recent Australia Day celebrations have descended into drunken fighting and lewd behaviour requiring the presence of 8 police on site with associated arrests. The council workers and residents are left with the mess of cans, bottles etc to clean up on this and regular other occasions.

This is a popular family swimming area and does not require large quantities of alcohol and associated drunkenness.

Thanking you in anticipation.
