re: Byangum Fig Tree Memorial

Thankyou for asking us for our input in the concept plan for a new park at Byangum.

We support the idea and agree that this would be an appropriate place to plant the new Hatton's Fig.

We suggest that a suitable name for the park be Byangum Park to commemorate the existence of Byangum Village. We would like to have an information panel recoding a brief history of the area eg; it was the upper limit of navigation and acknowledging the Hatton Family who made a large contribution to the community.

The Uki and South Arm Historical Society would be pleased to assist Council in deciding the wording for the information panel.

Yours Sincerely  
Emma Thompson  
Sec.
