Hi Troy,

Just a quick note to thank you for the councils support of this event.

I saw this event as a great opportunity to introduce my 14 yr old son Lochlan to motorsport in a controlled responsible way.

With the councils & CAMS support along with the dedicated team from GCTMC lead by Denis Baker I feel this event has lots to offer everyone including the community with the education of young drivers in particular.

It would be great to involve the Murwillumbah community in competing in this event to help educate on the responsible "spirited use" of their vehicles.

As you would be aware standard road vehicles are suitable to use & all the club members are only to willing to assist other competitors with advice on driving technics & vehicle setup/tyres pressures & all safety matters.

I would be only to willing to discuss this further if you feel I could be of assistance

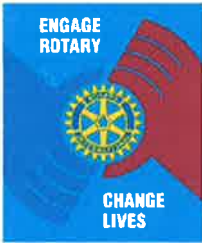

We felt that the event on Saturday was a huge success & will make a weekend of it next year & stay in Murwillumbah Friday & Saturday night

Regards John Spencer

Dear Troy

CAMS- CARnival 2013

The members of Murwillumbah Rotary Club would like to express appreciation to Tweed Shire Council for its tremendous support for the recent CARnival run by CAMS.

The event while being the initial of its type in Murwillumbah was well supported and those that did attend had nothing but praise for the day.

The Ignition events on the Thursday and Friday should be continued for the education of future drivers.

While the event was not that well supported by the local press the numbers of visitors was more than expected. With the gate donations we were able to support Life Education with a cheque for \$800.

Murwillumbah Rotary Club would like to see the event continue into the future and can see that it can be expanded for all of the community. Events such as this particularly for an entry donation only are excellent public relations for those sponsoring the event and for motor sport generally.

Our Club is happy to consider future involvement if invited.

Yours sincerely,

Bob Missingham  
Secretary

Acting General Manager  
Tweed Shire Council

Dear Troy

We write to offer our congratulations and thanks to yourself and Tweed Shire Council as well as other support organisations (CAMS, GCTMC, MG Car Club, and others) in relation to the organising and conducting of the recent CARnival held in Murwillumbah. We are very keen to see this type of event continue and expand to allow club motorsport enthusiasts (like us) to enjoy their passion. The format of the event was an interesting and enjoyable alternative to the formally held Speed on Tweed and we are sure would be less costly and logistically easier to organise.

Once again thanks and well done.

Yours in motorsport  
Bob and Karen Bowden  
Gold Coast.
