Re: Tweed Coast Outriggers land leasing enquiring, 3 Dry Dock Rd Tweed Heads South.

On behalf of Tweed Coast Outriggers I would like to enquire about leasing the land that the club has been using for the past 10 years at 3 Dry Dock Road Tweed Heads South, behind the Tweed Coast Rowing Club. Tweed Coast Outriggers membership has been growing over the past years and we would like to be able to invest in storage sheds and facilities for its members. To be able to achieve this we would need to secure a lease of this land to enable TCO to use its funds and to apply for grants for club improvements.

We would like to know if this is possible and if so what we would need to do to make it happen.

If you require any more information please call me on 0400 410 500 or email kenmcallum@bigpond.com.

Yours Sincerely

Ken McAllum

President
Tweed Coast Outriggers
