

Events Sponsorship Guidelines, Version 2.0

Refer to Events Sponsorship Policy, Version 3.0 and Events Sponsorship Application Form

Background

Events Sponsorship funding is to assist event organisers to develop, host and grow events of significance to be held in the Tweed Shire. Successful applications will need to demonstrate plans for future growth and sustainability of the event.

Aims and Objectives

Tweed Shire Council Events Sponsorship is an important element of the Tweed Shire Events Strategy 2016-2020 and the Community Strategic Plan 2017-2027.

Events not only create a great sense of local pride but they are also a key driver for tourism visitation growing the local areas capacity for destination brand identification and attracting business and new residents to the region.

Within that context, the aims and objectives of Events Sponsorship are to:

- Drive social, community, environmental and economic outcomes for the Tweed region (noting the important link between community outcomes and economic benefits).
- Generate local economic activity and development within Tweed Shire.
- Further develop the region's capacity to deliver authentic and well-organised events.
- Attract external visitation to The Tweed.
- Enhance and honour the personality of the region and desires of the community.

It is recognised that each event has a unique characteristic and therefore the relative importance of these objectives will vary from event to event. The means for qualifying and measuring outcomes related to these objectives is crucial.

Timing/Logistics

Funding will not be granted retrospectively or outside of a funding round. Events must be held in the time period outlined in the funding round. Applications received after the closing date will be deemed ineligible and not considered.
