MURWILLUMBAH NSW 2484

Dear Robert,

Thank you for taking the time to discuss the project here at the Tweed River Jockey Club. In reference to our telephone discussion today 12th June 2018 we are seeking council support for additional funding for the recycled effluent water connection at the Tweed River Jockey Club.

The final connection work has now been approved and will be completed by Daniel Gray Plumbing.

The Tweed River Jockey is seeking a final financial contribution from the Tweed Shire Council for connection of the effluent water to our water holding tanks at the facility. The total cost to complete the project is \$13,500 and financial assistance of \$3500 is sought from the TSC to finalise the project. The Tweed River Jockey Club will contribute the remainder of the \$10,000 as part of their 2017/18 capital works programme.

Yours sincerely

Bernie Quinn OAM
Chairman
