# Principles for Local Government

The object of the principles for Tweed Shire Council, as set out in Section 8 of the Local Government Amendment (Governance and Planning) Bill 2016, is to provide guidance to enable council to carry out its functions in a way that facilitates a local community that is strong, healthy and prosperous.

## Guiding Principles for Tweed Shire Council

### (1) Exercise of functions generally

The following general principles apply to the exercise of functions by Tweed Shire Council:

- (a) Provide strong and effective representation, leadership, planning and decision-making.
- (b) Carry out functions in a way that provides the best possible value for residents and ratepayers.
- (c) Plan strategically, using the integrated planning and reporting framework, for the provision of effective and efficient services and regulation to meet the diverse needs of the local community.
- (d) Apply the integrated planning and reporting framework in carrying out their functions so as to achieve desired outcomes and continuous improvements.
- (e) Work co-operatively with other councils and the State government to achieve desired outcomes for the local community.
- (f) Manage lands and other assets so that current and future local community needs can be met in an affordable way.
- (g) Work with others to secure appropriate services for local community needs.
- (h) Act fairly, ethically and without bias in the interests of the local community.
- (i) Be responsible employers and provide a consultative and supportive working environment for staff.

### (2) Decision-making

The following principles apply to decision-making by Tweed Shire Council (subject to any other applicable law):

- (a) Recognise diverse local community needs and interests.
- (b) Consider social justice principles.
- (c) Consider the long term and cumulative effects of actions on future generations.
- (d) Consider the principles of ecologically sustainable development.
- (e) Decision-making should be transparent and decision-makers are to be accountable for decisions and omissions.

### (3) Community participation

Council should actively engage with the local community, through the use of the integrated planning and reporting framework and other measures.
