

*Tweed Shire Council wishes to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands.*

## Prepare your home for the bushfire season

The bushfire season has started early this year due to the very dry and warm conditions across the State.

Communities across the Tweed have not escaped the impacts of this and Council would like to encourage and remind the community to put a bushfire plan in place.

There are a number of preventative measures residents can do around their home to better prepare it for a bushfire, including:

- installing metal gutter guards and attach a fire sprinkler system to gutters
- installing fine metal mesh screens on windows and doors
- enclosing areas under your house, if possible
- keeping lawns short and gardens well maintained
- cutting back trees and shrubs overhanging buildings

- cleaning up fallen leaves, twigs and debris around the property and in gutters
- having hoses long enough to reach around your house
- if you have a pool, tank or dam, put a Static Water Supply (SWS) sign on your property entrance, so firefighters know where they can get water.

Council works with the local NSW Rural Fire Service (RFS) to ensure Council meets its obligations under the Rural Fires Act regarding bushland that it manages.

In the event of an emergency, always call 000. Visit the RFS website [www.rfs.nsw.gov.au](http://www.rfs.nsw.gov.au) for further information (or [www.qfes.qld.gov.au](http://www.qfes.qld.gov.au) in Queensland), or check out Council's Emergency Dashboard at [emergency.tweed.nsw.gov.au](http://emergency.tweed.nsw.gov.au)

## Temporary Pound arrangements before new facility

Council will close the existing pound at Stotts Creek this Wednesday (25 September) to accommodate the expansion of the Waste and Resource Recovery Centre.

Council is planning to build a new permanent Pound and Rehoming Centre by 2022. In the meantime, temporary arrangements have been made to ensure lost and impounded animals are kept safe and well cared for.

From 25 September 2019 to early 2020, impounded animals will be cared for at a privately-owned boarding kennel at Tygalgah (near Murwillumbah) that is not accessible to the general public. If your pet is impounded during this time you will need to contact Council on (02) 6670 2400 to arrange retrieval.

Council has strengthened its partnership with the not-for-profit

animal rescue organisation Friends of the Pound to ensure as many animals as possible are rehomed. Anyone looking to adopt a pet can view the animals on their website at [friendsofthepound.com/adopt](http://friendsofthepound.com/adopt) and Facebook page [www.facebook.com/FriendsofthePound](http://www.facebook.com/FriendsofthePound)

It is anticipated that from early 2020 Council will commence operations of a new publicly-accessible temporary Pound and Rehoming Centre on a leased private premises at Dulguigan, until a new pound is available in 2022.

Council, in partnership with Friends of the Pound, aims to rehome as many animals as possible and will continue to work with other animal rescue organisations.

For more information visit [www.tweed.nsw.gov.au/Pound](http://www.tweed.nsw.gov.au/Pound) or phone (02) 6670 2400.

### In brief ...

#### Learn about biosecurity

Landowners adjoining the rail corridor from Murwillumbah to Crabbes Creek are invited to attend a Local Land Services meeting to discuss new trespass laws under the *Biosecurity Act*.

The meeting will be held upstairs at Williams Town and Country, 176/178 Tweed Valley Way Murwillumbah, from 5.30pm for 6pm on Wednesday 2 October.

District Veterinarian North Coast Phillip Kemsley will speak about 'Animal welfare, the right to farm and recent changes to biosecurity regulations'.

NSW Police Rural Crime Prevention Team member Ty Johnston will talk on 'Rural trespass, stock theft and stock identification'.

There will be an opportunity for questions at the end of the meeting.

#### Dry weather trouble for flying-foxes

There has been a significant food shortage for flying-foxes in northern NSW and southeastern Queensland due to the dry late winter/early spring conditions and following on from a very limited flowering of *Melaleuca* in autumn and early winter.

Flying-foxes behave differently during periods of food shortage and due to this, a number of animals have not been able to return to their camps and have spent daytime hours in unusual locations, roosting in backyards and street trees.

Council is urging the community to avoid touching or moving them and to report sightings of sick or dead flying-foxes to Tweed Valley Wildlife Carers on (02) 6672 4789.

#### Garage sales galore

This Saturday 28 September the north coast will be buzzing when the biggest garage sale day of the year arrives – Second Hand Saturday.

From boats to brush-cutters, camping gear and pre-loved children's treasures, there is something for everyone with hundreds of garage sales registered across Tweed, Byron, Ballina, Lismore, Kyogle, Richmond Valley and the Clarence Valley.

In Tweed there are more than 100 garage sales registered. Find the full listing of addresses on the facing page and check out what's for sale online at [www.secondhandsaturday.com.au](http://www.secondhandsaturday.com.au) to start planning your shopping day.

Hosted by North East Waste and Tweed Shire Council, the free annual community event has continued to gather momentum over the past 14 years, encouraging the community to support re-use over landfill and to be proud of contributing positively towards the ever-increasing war on waste.

If you miss out this weekend, there are plenty of garage sales registered to continue selling the following Saturday 5 October.

Find your special something this Second Hand Saturday – download the free Second Hand Saturday app to search the full garage sale list, bookmark your favourite sales and find those closest to you through interactive maps and route calculation.

Alternatively, check the Second Hand Saturday Facebook page [@mysecondhandsaturday](https://www.facebook.com/mysecondhandsaturday) and [www.secondhandsaturday.com.au](http://www.secondhandsaturday.com.au) from Monday 23 September.

## Tweed declares a climate emergency

Tweed Shire Council has declared a climate emergency and voiced support for last Friday's School Strike for Climate.

A resolution at last week's Council meeting called for emergency action by all levels of government, including by local councils.

In the resolution, Council also noted:

- that 45 other Australian Local Councils have declared a climate emergency, along with 987 government bodies around the world
- Tweed's 2017 flood was the largest on record and the two recent major fires that have burnt hundreds of hectares of Tweed's bushland
- last year's United Nations' IPCC report which found that global emissions of carbon dioxide must peak by 2020 and reduce by 45 per cent by 2030 to keep the planet below a 1.5°C increase
- that even a 1.5°C increase will lead to significant climate disruptions including the Great Barrier Reef predicted to lose 90 per cent of its coral and the outlook for the reef now classified as very poor.

A report will now be developed outlining the actions Council is currently undertaking to address climate change and further steps that can be taken to reduce emissions to levels at least consistent with IPCC targets. The report will be provided to the Tweed Shire Youth Council for their input.

In addition, information on the implications for sustainability will now be included in all reports to Council.

Council will write to the NSW and federal governments and local Members of Parliament requesting them to declare a climate emergency and prioritise actions to address climate change.

## Hall scores new floor

Work is set to begin on a new floor for the Pottsville Beach Community Hall to bring it back to its former glory. The original floor hasn't been resurfaced since the hall opened in 1985.

The project will include removal of the existing floor and the supply, laying and treatment of a new floor. Skirtings will also be removed and reinstated.

The hall will be closed from 28 September to 21 October 2019 while the upgrade is completed and is scheduled in part during the September/October NSW school holidays to limit disturbance to hall users.

Council was successful in gaining \$30,000 from the NSW Government's 2018–19 Crown Reserves Improvement Fund Program (CRIFP) to the Tweed Coast Reserve Land Manager towards 50 per cent of the cost of repairing the floor.

As a requirement of the grant, \$15,000 funding was contributed from Council's Community Facilities Maintenance budget and \$15,000 was contributed by Pottsville Beach Community Hall Inc.

To find out more about this and other Council facilities, visit [tweed.bookable.net.au](http://tweed.bookable.net.au)

Dancing with delight at the news of the new floor are (left to right): Yvonne Hogan, Janet Tkachenko and Jill Buttfield from the Pottsville Beach Community Hall committee with Council's Project Officer – Capacity Building, Shannon Rees.
