

Tweed Shire Council wishes to recognise the generations of the local Aboriginal people of the Bundjalung Nation who have lived in and derived their physical and spiritual needs from the forests, rivers, lakes and streams of this beautiful valley over many thousands of years as the traditional owners and custodians of these lands.

New 2020 Tweed Shire Youth Council

The first Tweed Shire Youth Council meeting for 2020 was held recently for the young Councillors in training.

Among other things, their induction into their 'jobs' included an overview of three tiers of government, including local, state, and federal and associated responsibilities, and election of a Chairperson (Beatrix Meeves) and Deputy Chairperson (Madison Bambach).

The students will be required to attend four formal meetings held throughout the school year. At the first meeting, the students expressed

excitement and a sense of pride to have an opportunity to represent young people in the community.

The Youth Council is a student leadership and civic program which will involve young people in local government decision-making, to build a resilient youth population and provide opportunities for young people to reach their full potential.

Their role will also be to provide comments and ideas to assist Council to respond to youth specific issues in the Tweed.

Tweed River High School Principal Leisa Conroy, Team Leader Rangers Nicholas Harrigan, Ranger Mike and Ranger Rob discuss the capabilities of the soon-to-be introduced parking enforcement vehicle.

Community invited to opening celebrations

An exciting opening event is being planned for the community to celebrate the completion of the \$1.2 million Tweed Heads Civic and Cultural Centre redevelopment.

The opening event will be held on Friday 6 March from 1pm to 3pm and will include performances in both the auditorium and the plaza to showcase the newly-upgraded spaces and all that they have to offer.

The event will include performances by four-piece jazz band Dr Lips, led by Adam Thomas and will include students from Lindisfarne Anglican Grammar School, a Welcome to Country by Uncle Victor Slookee, and a performance by the Yugambah Aboriginal Dancers, led by Luther Cora.

Join a talk at the Tweed Heads Library about their digital resources, have a tour of both the newly-upgraded Civic Centre Auditorium and Brett Street CAFE and watch the official ribbon cutting to commemorate the opening, followed by a celebratory cake.

The project is jointly funded by the Australian Government's Building Better Regions Fund and Tweed Shire Council.

School zone safety is our priority

Local high school principals were recently invited to attend an event at Kingscliff Community Hall to highlight the safety benefits that the soon-to-be introduced parking enforcement vehicle will offer schools within the Tweed.

The event included an inspection of the parking enforcement vehicle and a presentation on how the parking enforcement vehicle would patrol school zones and record vehicles parked illegally within school zones.

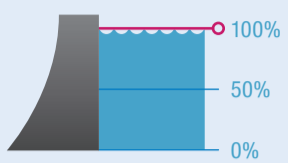

Team Leader Rangers Nicholas Harrigan said safety issues occurred when illegally parked vehicles blocked school buses from entering and exiting a school bus zone, forcing students to leave the curb to board or disembark from a bus.

"Illegally parked vehicles within a school zone can block the drivers' sight lines when either setting down or collecting children from school,
