

Museum hosts Tweed's biggest street party

Tweed Regional Museum is gearing up for a huge 2024 Street Party on Saturday 31 August from 12 noon to 7 pm at the Museum and its surrounding streets.

Following last year's success, the Tweed Regional Museum Street Party 2024 promises an incredible afternoon with live music, a maker's market, collaborative public art, tasty eats, Tweed trivia, prizes, and so much more!

Inspired by all things Tweed—our people, places, biodiversity, and history—this event is part of the Museum's 20th birthday celebrations.

Enjoy live music from Lazy Ghost, Blackline, Bella Amor, and more. Stroll down Makers Lane, curated by local designer Kirsten Devitt (Each to Own).

The Tweed Valley Banana Festival Float returns with its regal throne and four fabulous Banana Queens. There'll be native animal-inspired face painting and plenty of activities for the kids, including the beloved kids Adventure Game with new puzzles and activities.

Tasty bites will be available from Oki Foods, Kat Harvey's cheese station, Yulli's Modern Asian, and Khanthaly's Kitchen. Don't miss the Swamp Beer Garden with beverages from Spangled Drongo and the Gin Experience.

This event is proudly funded by the NSW Government under the Open Streets Program led by Transport for NSW.

Sod turning marks start of animal pound and rehoming facility

Supporters gathered at South Murwillumbah last week to celebrate the start of the Tweed's new Animal Pound and Rehoming Facility. This multi-million dollar project will house up to 80 animals – 40 dogs and 40 cats – in need of new homes.

Federal government representatives, Friends of the Pound, and Tweed Shire Council marked the beginning of construction on the \$9.1 million facility. Alder, the company awarded the design and construct contract in June, was also present.

The facility, located at 92-102 Lundberg Drive, South Murwillumbah will feature dog kennels, catteries, stockyard animal facilities, and an administrative hub for Friends of the Pound.

Additional yards for volunteers to exercise the animals and a new home for Council's Rangers Unit are also included.

Construction is set to begin later this year, with completion expected by late 2025, weather permitting.
