## Crowds flock to celebrate all things Tweed at Museum Street Party!

Tweed residents, young and old, turned out in force to take part in the Tweed Regional Museum's 20th anniversary celebrations recently.

More than 6,000 people braved the hot conditions and flocked to the Murwillumbah Street Party on Saturday 31 August to participate in a flurry of fun activities, listen to live music (including a surprise appearance from special guest Budjerah!), enjoy fine street food and discover more about the Tweed's diverse and interesting history.

Fans were also able to catch up with their Tweed Olympic heroes, with marathon swimmer Moena Johnson signing autographs and showing off her silver medal won in Paris.

She was accompanied by local teen sensation, Solomon Island swimmer Isabella Millar, as well as former Paralympian and winner of 2 gold medals, Tracy Barrell OAM, who was generous with her time and words of inspiration.

The Museum itself proved popular with its cool air-conditioned climes providing welcome relief to the soaring temperatures outside.

Museum Director Molly Green thanked everyone who joined in the fun.

"A huge thank you to everyone who turned out to party with us and celebrate the Museum's

20th birthday," Ms Green said.

"It goes to show the amount of talent, vibrance and diversity we have to showcase and celebrate as a community.

"I'm extremely proud of our Museum and its ability to adapt and change over the past 2 decades. Today, it's a place that is constantly seeking innovative and exciting ways of collecting and sharing stories. Here's to the next 20 years, we're so excited for what's to come!"

The Street Party was funded by the NSW Government's [Open Streets Program](#).

## Restoration works begin at Murwillumbah's multi-level carpark

Worker on site at the multi-level carpark in Murwillumbah.

Work to restore the multi-level carpark at Murwillumbah is underway, with essential surface restoration starting on level 1 this week.

Expected to last 4 weeks, this stage of the project aims to address extensive smoke residue in the carpark using specialist cleaning techniques.

The restoration will be carried out in 2 phases,

with the first 2 weeks focusing on the area of level 1 currently closed to the public. During this period, the remaining section of level 1 will remain open for parking. Work will then shift to the section of level 1 currently open for parking with efforts divided into smaller sections to minimise disruption.

Some parking will be made available for most of this period, however there may be a complete closure of Level 1 for up to 3 days. If a full closure takes place, Council will advise dates as soon as possible.

Directional signage will be displayed to guide motorists through the carpark.

Motorists should anticipate noise from the cleaning operations, which will be comparable to high-pressure cleaning or metal grinding. The expected sound levels will be safe for anyone in the vicinity for short periods of time while parking their car.

Both the ground floor and level 2 will remain fully operational throughout the works. Further updates will be provided as soon as possible.

### In brief ...

#### Great news for garage sale lovers!

There's still time for Tweed residents to register to host a garage stall as part of this year's **Second Hand Saturday** event on **21 September**.

The event is one huge, organised day of garage sales with residents across the North Coast taking part to make extra cash on items they no longer need, while for others it provides a chance to find bargains at a fraction of the cost of new items.

Turn your unwanted items into cash or find a second hand treasure by taking part in this eco-friendly community event.

Find out more and register at: [secondhandsaturday.com.au](http://secondhandsaturday.com.au)

Get rid of unwanted items and make some cash by hosting a garage sale at your home on Saturday 21 September.

#### Tender to design and construct new works depot at flood-free location

Council's Buchanan Street works depot is set to move to a flood-resilient site at Industry Central in South Murwillumbah, enhancing the safety and efficiency of its operations.

The tender to design and construct the new depot is open until Wednesday 2 October 2024.

This phase is crucial in selecting the contractor who will build the modern facility, which includes 2 industrial buildings and a public administration building. The site will also support services like the NSW State Emergency Service during emergencies.

#### Gates removed at Tyalgum Road landslip

Temporary gates at either end of the major landslip work site on Tyalgum Road have been removed, marking a significant step forward in the restoration project.

The gates were installed as a safety measure when the temporary access road was established in October 2023, allowing traffic to pass through the slip site while contractor SEE Civil undertook flood restoration work.

The gate removal follows progress in stabilising the site with 64 large concrete piles, up to 200 rock-filled gabion baskets and hundreds of tonnes of backfill installed on the lower side of the slip.

These measures have significantly reduced the likelihood of heavy rainfall closing the road.

Monitoring will continue and in the unlikely event of any significant ground movement, the road will be shut and the community advised.

Traffic lights will remain in place to control movement through the work site. The restoration project is expected to be completed by mid-2025.

Lot 6 NPP 285999, Unit 6/No. 289 Piggabeen Road, **Tweed Heads West**

The above development determinations are available for public inspection free of charge at the Planning and Regulation Division, Murwillumbah Civic Centre, during ordinary office hours OR viewed on Council's DA Tracking site located at [datracker.tweed.nsw.gov.au](http://datracker.tweed.nsw.gov.au)

## The final countdown: Council elections are on this Saturday

**Tweed residents will head to the polls on Saturday 14 September to elect a new Council.**

The NSW Electoral Commission conducts the election on behalf of councils across the State, with voting compulsory in Local Government elections.

Polling stations will open at 8 am on election day and close at 6 pm that night. A total of 28 polling venues will be open on election day across the Tweed.

Pre-polling is also available to eligible voters this election, with 5 pre-polling venues already open across the Tweed from 9 am to 5 pm until Friday 13 September.

To find your nearest polling or pre-polling venue, visit the NSW Electoral Commission's [Find My Electorate page](#).

Applications for postal voting closed on Monday 9 September. Completed postal votes must be received by the NSW Electoral Commission by 6 pm on Friday 27 September.

A total of 45 candidates have registered to contest the Tweed Shire Council election, following finalisation of the ballot sheet by the NSW Electoral Commission in early August. The candidates make up 10 grouped tickets, with 7 candidates running on their own as individuals. For details on the candidates, visit

Tweed residents will cast their votes in the Council election this Saturday 14 September.

the [NSW Electoral Commission webpage](#).

The declaration of the poll is expected to occur between 1 and 3 October 2024 and an Extraordinary Meeting of the new Council will take place on Tuesday 10 October 2024 that will include the election of the Mayor and Deputy Mayor.

For more information about the 2024 NSW Local Government election, visit the NSW Electoral Commission at [elections.nsw.gov.au](http://elections.nsw.gov.au) or phone 1300 135 736.

### Section 4.55 Modification application for public comment

The following Section 4.55 application has been received by the Tweed Shire Council and may be viewed on Council's DA Tracking site located at [datracker.tweed.nsw.gov.au](http://datracker.tweed.nsw.gov.au) for a period of fourteen (14) days from Wednesday 11 September 2024 to Wednesday 25 September 2024.

The proposal is not designated development and the Tweed Shire Council is the consent authority.

Applicant	Location	Proposal	File no.
Indara Corporation Pty Ltd	<b>Lot 2 DP 815370; No. 1126 Pottsville Road POTTSVILLE</b>	amendment to Development Consent DA22/0088 for a telecommunications facility	DA22/0088.01

#### Proposed modification

- Remove the requirements for a Habitat Restoration Plan, on the basis of an Ecological Assessment prepared by Ascent Ecology which confirms the project will have minimal environmental impact.
- Adopt a Colour Schedule in response to a condition concerning the colour scheme of the facility.
- Remove the requirement for a bitumen access track, on the basis that it is not required and will have a more substantial visual and environmental impact than a gravel track as currently proposed.
- Deletion of conditions within Schedule B that related to the requirement to provide and maintain a Habitat Restoration Plan.

Any person may, during the period specified above, make a submission in writing to Council in relation to the Modification Application. Where a submission is in the form of an objection, then the grounds of objection are required to be specified.

In accordance with *Clause 105 of the Environmental Planning and Assessment Regulation 2021*, there is no right of appeal under *Section 8.8 of the Act* by an objector.

Any person may, during the above period, make a written submission to the General Manager of Council. It should also be noted that Council has adopted a policy whereby, on request, any submission including identifying particulars will be made public. Council will give consideration to the "Public Interest" and requests for confidentiality by submitters in determining access to submission letters. However, the provisions of the *Government Information (Public Access) Act 2009 - GIPAA* may result in confidential submissions being released to an applicant.

#### Please Note - Requirements regarding Disclosure of Political Gifts and Donations

A disclosure is required to be made in a statement accompanying the relevant development or planning application by a person who makes the application. In addition, a person who makes a written submission either objecting to or supporting a relevant development or planning application must also make a disclosure if the person has made a reportable political donation.

Further information regarding Donations and Gift Disclosure are available on Councils' website [tweed.nsw.gov.au/development-applications](http://tweed.nsw.gov.au/development-applications)
