## Annexure A

### Terms and conditions

These terms and conditions are part of the agreement between Tweed Shire Council (Council) and the interment right holder(s) also known as the grantee(s) (you, yours).

#### A1. Perpetual interment rights

- a) This agreement gives you the exclusive right to a specific site for a permanent burial or placement of ashes. This is called a perpetual interment right. As the person(s) who has this right, you are the interment right holder also known as the grantee.
- b) As the grantee, you can nominate who is interred into the designated site. This is known as the 'person(s) to be interred'. You may nominate:
  - You or another person, if you are buying the right 'pre-need' – which means you do not immediately need a burial or ash interment.
  - A person who is deceased, if you are buying the right 'at-need' – which means you need a burial or ash site now.
- c) Council issues certificates confirming perpetual interment rights and list current interment right holders in Council's cemetery register. Council must keep this register up to date and available to the public for inspection or for copies to be made on payment of a fee, subject to any applicable privacy laws.
- d) A perpetual interment right does not include any rights or title in the land, roads, buildings, or other structures in the interment site or on the premises.
- e) Both parties to this agreement (you and Council) agree that changes to the *Cemeteries and Crematoria Act 2013* (the CC Act) and other laws can affect perpetual interment rights.
- f) If you buy a perpetual interment right 'at-need' the contract will describe the services that you have chosen.
- g) If you require a perpetual interment right 'pre-need', you are reserving the right now but (unless the contract states otherwise) you will need to pay for the interment service, whether burial or ash site, at the time of need. ### Related services

Additional services will be charged at the time of need for the amount stated for that financial year unless this service relates to a contract in which it will be the contracted price.

The additional services available are:

#### Chapel

Built in 1917 for the Ursuline Nuns as a schoolhouse, the chapel was then used to accommodate farming families while holidaying. In 2010, the building was re-purposed by Council to provide a place of remembrance while maintaining the heritage of the building.

The chapel is located at the Tweed Valley Cemetery, overlooking the pond. As a non-denominational chapel, it is ideal for funeral services, wakes and memorial services.

- 130 seats
- standing room available
- live streaming of service
- use of audio-visual equipment with 4 televisions inside and, on request, a television outside
- maximum of 3 hours hire.

#### Kitchen

The kitchen is located within the chapel building, with serving doors opening onto the verandah. There are benchtops along the chapel wall to place food and drink.

This kitchen provides:

- fridge
- oven
- microwave
- urn
- sink
- dishwasher
- cutlery, cups and plates
- tea, coffee and sugar (no milk supplied).

Catering must be organised by the hirer. The hirer is responsible for the cleaning of the kitchen and chapel areas afterwards.

#### Outdoor service – ‘Stumpy’

The outdoor area is opposite the pond on the grass area under the trees. It is nicknamed the ‘Stumpy’ as services are around a large tree stump which has a flat top.

Services are for up to 3 hours and includes the provision of 12 chairs around the tree stump. A tent may be made available on request.

#### Memorials (plaques, headstones, plinths, desktops)

Although memorials are included in all at-need burial and ash interments, unmarked graves, old reservations (with no memorial included) and refurbishments are an additional service.

This service is priced on application. Depending on the works being undertaken, additional fees to the product fees may include administration fees, mounting and placement fees and/or site access fees.

Our granite and cast bronze plaques are ordered through external contractors. Works cannot occur on any gravesite without the permission of the grantee and the cemetery office.

### Related services

Additional services will be charged at the time of need for the amount stated for that financial year unless this service relates to a contract in which it will be the contracted price.

The additional services available are:

#### Chapel

Built in 1917 for the Ursuline Nuns as a schoolhouse, the chapel was then used to accommodate farming families while holidaying. In 2010, the building was re-purposed by Council to provide a place of remembrance while maintaining the heritage of the building.

The chapel is located at the Tweed Valley Cemetery, overlooking the pond. As a non-denominational chapel, it is ideal for funeral services, wakes and memorial services.

- 130 seats
- standing room available
- live streaming of service
- use of audio-visual equipment with 4 televisions inside and, on request, a television outside
- maximum of 3 hours hire.

#### Kitchen

The kitchen is located within the chapel building, with serving doors opening onto the verandah. There are benchtops along the chapel wall to place food and drink.

This kitchen provides:

- fridge
- oven
- microwave
- urn
- sink
- dishwasher
- cutlery, cups and plates
- tea, coffee and sugar (no milk supplied).

Catering must be organised by the hirer. The hirer is responsible for the cleaning of the kitchen and chapel areas afterwards.

#### Outdoor service – ‘Stumpy’

The outdoor area is opposite the pond on the grass area under the trees. It is nicknamed the ‘Stumpy’ as services are around a large tree stump which has a flat top.

Services are for up to 3 hours and includes the provision of 12 chairs around the tree stump. A tent may be made available on request.

#### Memorials (plaques, headstones, plinths, desktops)

Although memorials are included in all at-need burial and ash interments, unmarked graves, old reservations (with no memorial included) and refurbishments are an additional service.

This service is priced on application. Depending on the works being undertaken, additional fees to the product fees may include administration fees, mounting and placement fees and/or site access fees.

Our granite and cast bronze plaques are ordered through external contractors. Works cannot occur on any gravesite without the permission of the grantee and the cemetery office.
