

Saddle Way Park, Murwillumbah

FAMILY FUN DAY

Citizen science, kids' activities
Sausage sizzle, native tree giveaway

Saturday 11 May 2024, 10 am to 12 noon

We're upgrading **Saddle Way Park** and planting trees in your area. Come to a family fun day and share your thoughts on the upgrade plans.

Have your say on the park upgrade

Your feedback will guide how we manage and improve this open space and trees in your area.

- New playground
- Nature play
- Accessible pathways
- Shelter, picnic tables
- Native tree planting, landscaping

Citizen science

Bring your family to measure temperatures in the shade, in the sun and on different surfaces. Find out how trees and shade structures affect urban heat.

Free native trees for the first 50 households to come along on the day and complete our survey!

Request a tree

We're planting trees in streets including Mount Ernest Crescent, Mount Lindesay Avenue, Mount Ballow Avenue, Castle Field Drive and Saddle Way. Request a tree on the nature strip at your house (subject to site assessment).
