Dear Lesley,

As discussed with you earlier I tender my resignation, effective immediately, from the above committee in response to growing demands upon my time by the development of the Regional Museum.

I regret having to do this as I have enjoyed working with the Committee and wish its members well in their endeavours to expand the development of so many cultural activities in the Valley.

Yours sincerely,

The Combined Historical Societies of the Tweed Valley

24th. February 2006

Dear Leslie,

Bill Bainbridge has informed us that he will be resigning from the Cultural Committee. The Societies have met and discussed the vacancy, and we the Undersigned, representatives of the Societies would like to nominate Robert Longhurst, local Historian and Author and member of the Tweed Heads Historical Society to take his place.
