Dear Mr Griffin

Re: Hire of Tweed Heads Civic Centre.

Fingal Head School has booked the Tweed Heads Civic Centre Auditorium for use on Wednesday, 29 November for our Awards and Concert Night. We have also booked the auditorium for 4 hours on Tuesday, 28 November for rehearsals in preparation for the Awards Night.

As our school is a non-profit organization could you please consider waiving the auditorium hire cost or providing the venue at a reduced rate? This would greatly help reduce the cost of organising this event.

The entire school is involved in the night. There will be no entry charge, as we would like all of our families to attend.

Our school community has received a grant to construct a hall/enclosed undercover area at the school. Construction is not underway as yet. It is anticipated it will be completed for 2007.

I look forward to your reply, at your earliest convenience.

Yours sincerely

Dear Geoff,

Kingscliff Lions Club members are planning our Christmas Party and we have selected Friday December 8th as a possible date.

I have spoken to Peter Nipperess at the Caravan Park re use of the Amenities Hall and he has referred me to you.

Peter tells me the date would, at this stage, be available.

On behalf of the Lions Club I request permission to use the Hall and as we are a Community Service organization, I request consideration as to the charge for the Hall. We expect to have approximately 50 members and friends and a guitarist with amp.

We would leave the Hall in the condition we found re cleaning up afterwards etc if this application is successful.

Kind regards,

John B. Everingham

25 October 2006

Dear Sir,

Recently the Burleigh Gardens Seventh-day Adventist Church hired your halls at Murwillumbah and Tweed Heads to conduct a movie presentation of Glen Threlfo's nature movies. The reason we made these public presentations of Glen's movies was to raise money for an Indian campaign we will be involved in with an organisation called the Carter Report. The Carter Report is a christian organisation dedicated to sharing with people of all races and creeds.

When we go to India within the next month we will be involved with helping villagers that are members of the lowest of all Indian castes. We intend to give them Bibles, share with them the benefits of a healthier lifestyle and will visit, with the purpose of providing for the needs of, orphanages run by a registered charity called Asian Aid. Several of this organisations orphanages are located within the district we are going to in the Indian state of Andhra Pradesh.

The purpose of my writing this letter is to request from the council a donation of the hiring fees of your halls on these two occasions. (Murwillumbah, 12 October 2006 and Tweed Heads, 25 October 2006 the hiring fee being a total of \$352.00). We recognise that we are asking for significant help in making this request of council, and would be most appreciative if you could help by making this donation to our important Indian campaign.

Thank you for considering our request and God bless.

Geoff Donovan
