

## **ADMINISTRATOR'S MINUTE**

### **[AM] Tweed Valley Respite Services**

#### **Submitted by Administrator Turnbull**

It is noted that Tweed Valley Respite Service (TVRS) was given the support of Council on 3 March 2004 to develop the site adjacent to its respite cottage at Kingscliff for the construction of a new building for delivery of disability services.

TVRS is now intending to seek funding to use this land to create a Dementia Resource Centre and requires Council to be a partner in the application as the land owner.

#### **RECOMMENDATION:**

**Council indicates to Tweed Valley Respite Service that it is prepared to be a partner in the funding application for a Dementia Resource Centre by providing the use of the land for the construction of the centre adjoining to the existing respite cottage at Kingscliff and assist during the project by providing advice and access to relevant information.**
