Dear Sir

We are requesting the use of the Amenities Hall Kingscliff on a monthly bases.

The last Friday of each month starting February 23rd at 10.00am -- noon.

Senior activities suitable for the older person will be held and we would like you to waver the fees for this period of time.

Many of our members work in a voluntary situation outside of our association, being a non profit organization we are self supporting working on membership fees.

Your consideration will be gratefully received.

Yours sincerely

Dorothy Somerville
