Dear Sir

Structural Reform

I wish to advise that Far North Coast Weeds, at its Extra Ordinary Council meeting 17 May 2012, resolved as follows:

- 1 Far North Coast County Council not support any of the seven Options presented in the Structural Reform report.
- 2 Far North Coast County Council endorses actions taken by the Chair to engage Mr Brian Wilkinson to progress Council's previous resolution to:
 - Examine options for service delivery of governance and management services.
 - Investigate the pros and cons of Far North Coast Weeds becoming a weeds authority.
- 3 The constituent Councils be advised of this Council's decision in relation to structural reform.

Should you have any questions in relation to the above please feel free to contact me.

Yours faithfully

Kyme Lavelle
