Land to be filled

Complete all address fields below to avoid processing delays.

Street/Road		House number	
Suburb			
Lot		Section	
		DP	

Approximate quantity of fill required (in cubic meters)		m³
--	--	----------------------

What is fill to be used for?

Provide a detailed description of what the fill is to be used for. For example: fill in cane drain, build a farm dam, leveling of a block, constructing a flood mound for farm machinery

Current use of land

Provide a detailed description of the current use of the land. For example: production of crops for commercial purposes, grazing of cattle for commercial purposes

Land/site plan

If you need help completing this section, please refer to our Mapping and zoning page at tweed.nsw.gov.au/mapping-zoning

Distinct features on the property

For example: dwelling, shed, dam

Location and dimensions of where the fill is proposed

Including length, width and depth measurements in metres of the fill location. Please ensure these measurements equal the quantity of fill required

You must attach a site or land plan clearly identifying the fill areas showing the dimensions of where the fill is proposed. Your expression of interest cannot be assessed without this. Have you attached the site/land plan?

Yes

Distance (in metres) from lot boundaries to the fill location

Attach any supporting documents

m

Distance (in metres) from any creeks/drainage lines to the fill location

Attach any supporting documents

m

Have you previously applied for or received fill for this property?

Yes

No

Please provide any additional information
