W&WW Form 6 - Application for Pre-Commissioning

A6. Pre-commissioning Checklist

- For sewer pump stations, it is confirmed that "C1.001 Sewer Pumping Station Pre-commissioning Checklist" (found in Council's Standard Drawings) is completed, attached to this application and that all works are ready for Pre-Commissioning.
- For sewer pump stations, it is acknowledged that the pump station will need to be inspected in accordance with "E1.001.1 Sewer Pumping Station Factory Acceptance Testing (FAT) and Commissioning Checklist" (found in Council's Standard Drawings) and Commissioning will not be scheduled until all documentation are completed and accepted by Council.

Application is made for the pre-commissioning of the following assets:

- Sewerage Pump Station **OR** Water Pump Station

Please note that the following information will be required at or during Pre-Commissioning:

- Electricity supply connected and energized
- Switchboard tested and installed correctly
- All pipework connected, tested and gauges installed
- Level Sensors and/or flow meters installed and functioning
- Water Supply with RZPD installed
- Pump installed and bump tested
- PLC and telemetry installed
- Site, well lids, odour control and building completed (if required)

A7. Applicants Declaration

I declare that all the information in this application, checklist and attachments are true and correct.

I understand that if the information is incomplete the application may be delayed or rejected.

Date

* NOTE: provide more than one date should the first date not be available for Council staff to attend

W&WW Form 6 - Application for Pre-Commissioning

NOTE

- Pre-commissioning is a hold point and must be signed off before Commissioning.
- Once Pre-Commissioning sign-off is achieved, formal Commissioning and Testing can be organised. At least two weeks' notice shall be provided between the Pre-Commissioning sign off and Commissioning and Testing.
- The final date for Commissioning and Testing is to be confirmed by Council to ensure all relevant Council staff can attend.
- The Commissioning Plan and Operations Manuals shall be provided one week prior to Commissioning and Testing. Council reserve the right to reschedule the Commissioning and Testing if this information has not been provided within this timeframe.
