Applicants Name

Date

Applicant Use: Site Sketch of preferred location of the meter

(if metering a duplex or triplex, identify which meter shall service which duplex or which triplex)

Application for Water Service Connection / Disconnection / Relocation

NOTES:

1. Water Meter Check If applicant is unsure whether the intended property has a water meter or not, please ring Tweed Shire Council's Water and Wastewater Unit before filling out the water application. Fees for refunds apply.
2. A water application form is not to be filled out for individual assessments of Neighbourhood Property Plans. Please check prior to completing application form.
3. Any connection that is "live" service connection or subject to a water headworks charge requires a quotation, regardless of the size of the service.
4. Council reserves the right to receive payment for service connection or headworks charges prior to installation of the water meter.
5. Services connected to "live" water mains must be installed by Council (a "live" water main is a reticulation main with existing customers connected).
6. Connections to Council's trunk mains will not be approved.
7. If this ancillary application is part of your Development Application submission, you must provide this form with all supporting documentation with your Development Application when you upload your application to the NSW Planning Portal.
8. If this ancillary application is a stand-alone application (not related to a Development Application), this form with all supporting documentation must be completed and lodged via Council's online application page.
